

FIRST INTERNATIONAL CONFERENCE

„Setting up a new standards in CSSD in healthcare facilities”

28-29 SEPTEMBER 2011, HOTEL VODNO - SKOPJE, MACEDONIA

The Desinfection and Sterilization Association of Macedonia is pleased to invite you to the First International Conference **„Setting up a new standards in CSSD in healthcare facilities”** that will be held on 28 and 29 September 2011, in Skopje, Macedonia. This conference represents a unique opportunity for gaining insight in most recent trends in the area of central sterilization and we expect that by participating you will be able to provide valuable contribution to this goal.

Maja Markovska
President of DSAM

The conference will be consisted of presentations on various topics in the area of sterilization and disinfection, as well as an exhibition area for companies that provide products and services of importance to sterilization in health facilities.
